Spring 01

## Publications      Resource Notes

- P1 **BLM: Kids Taking Over Parents' Jobs** (Booklet): Contains articles written by children who participated in "Take Our Children to Work" day; includes information about what BLM is and does and interviews with BLM specialists (13 pp).
- P2 **Corporate Metadata Repository (CMR)** (Brochure): Explains what the CMR is and who can use it, and provides two different methods to access the data (5-3/4" x 11" trifold).
- P3 **Geospatial Task Group** (Brochure): Provides information for fire management personnel about a network of technical experts who provide GIS information to assist with fire management decisions (3-3/4" x 8-1/2" trifold).
- P4 **Inclusion Through Education** (Program): Provides detailed agendas; descriptions of workshops, panels, and presentations; and short biographies of featured speakers and presenters for the Denver Federal Executive Board's 2001 Diversity Training Seminar (19 pp).
- P5 **Information and Communications Staff** (Brochure): Describes library, writing and editing, visual information, and micrographics services provided by the Information and Communications Staff at BLM's National Science and Technology Center (7" x 8-1/2" bifold).
- P6 **Keeping Water on the Land Longer** (Booklet): Describes how to keep land healthy and productive, how houses and roads affect land, and why soil compaction makes it difficult for vegetation to grow (5-1/2" x 8-1/2" bifold).

- (available at [www.blm.gov/nstc/resourcenotes/resnotes.html](http://www.blm.gov/nstc/resourcenotes/resnotes.html))
- RN43 **Pilot Section 7 Consultation Process for Timber Harvest Right-of Way Applications**
- RN44 **Landscape Stability Indicators for Sagebrush Steppe Ecosystems**
- RN45 **Ecological Site Inventory Query (Inventory Data System)**
- RN46 **Regional Sheet and Rill Soil Erosion Prediction with the Revised Universal Soil Loss Equation (RUSLE) – GIS Interface**
- RN47 **Use of Tracer Injections to Measure Discharge and Quantify Pollutant Loading**
- RN48 **Forest Vegetation Information System**
- RN49 **The Soils Suitability Extension (SSE)**
- RN50 **VegSpec: Creating Vegetative Designs**
- RN51 **Merging GPS Technologies and Geoscience**
- RN52 **Protecting Relatively Uninfested Lands: Reducing Weed Spread Following Fire**

# In The Works

## Exhibits

- E1 **2001 National Scout Jamboree** (Exhibit): Educates participants about BLM programs such as fire, paleontology, cultural heritage, invasive plants, and recreation in a fun maze of information (53 panels of various sizes and banners).

- E2 **National Business Center** (Exhibit): Describes services provided by the offices within BLM's National Business Center (48" x 48" panel).

## Web Pages

- W1 **BLM Administrative Jurisdiction Maps** (NSTC Web Site): Provides current maps showing the location of public lands administered by BLM, as well as the locations of BLM State and Field Offices and their areas of jurisdiction (<http://www.blm.gov/nstc/jurisdictions/index.html>).

- A Guide to Managing, Restoring, and Conserving Springs in the Western United States (Technical Reference)
- BLM CERCLA Response Actions Handbook (Handbook)
- BLM Library (Brochure)
- Conducting Compliance Checks for BLM's Wild Horse and Burro Adoption Program (Handbook)
- Cultural and Paleontological Resources at Risk (Report)
- Ecological Site Inventory (Technical Reference)
- Establishing Noxious Weed Demonstration Plots (Resource Note)
- Helium Resources of the United States—2001 (Technical Note)
- Integrating GIS Technologies with the Visual Resource Management Inventory Process (Technical Note)
- NSTC Environmental Compliance Staff (Brochure)
- Perennial Pepperweed—A Growing Menace! (Brochure)
- Pre-Fire Planning (Resource Note)
- Post-Fire Weed Explosion (Resource Note)
- Safety and Health Management (Handbook)
- Scotch Thistle—A Giant Problem! (Brochure)
- Spotted Knapweed—A Not So Spotty Problem! (Brochure)
- Unexploded Ordnance—A Handbook for Land Managers (Handbook)
- Wildlife Investigator Series (Lesson Plan and CD)
- Yellow Starthistle—A Menace to the West! (Brochure)
